

TWENTY-THIRD SUNDAY IN ORDINARY TIME

September 6, 2020

CONGRATULATIONS DR. EDI GOBETZ!!! In a wonderful ceremony and cultural program at Slovenska Pristava this past Sunday, August 30th, organized by our Slovenian Consul General Alenka Jerak, a long over due and much deserved honor was given the indefatigable Dr. Edi Gobetz. Our Slovenian Consul General presented to Dr. Gobetz the "Order of Merit" from the President of the Republic of Slovenia in recognition of his many years of untiring service in researching, collecting and preserving accomplishments of American Slovenians and his work in support of the cultural, historical and social activities of the various Slovenian communities in the United States and in particular, the Greater Cleveland Slovenian community. In his acceptance speech, Dr. Gobetz humbly credited the wholehearted loyalty and support of his wife, Milena, in all of his work, the support of his family, his faith, and the cooperation of so many people in the Slovenian community. Without his books, articles, presentations and affable and warm-hearted personality, how much less we would be without the contributions of this educator, historian and humble family man. Well done, Dr. Gobetz. You are truly a tremendous example of selfless service, a cultural warrior, a man driven by the pursuit of principle and truth, and a man well deserving of our appreciation and recognition of your life time achievements. Congratulations and God's blessings for many happy, healthy years!!!
