

## THIRTEENTH SUNDAY IN ORDINARY TIME

**June 27, 2021**

**IT'S TIME TO RETURN TO MASS.** As of June 6<sup>th</sup>, there is no longer a dispensation from our Sunday Mass opportunity and obligation. Unless you are sick or caring for a sick person, all faithful Catholics should once again be attending Mass in person. Live-Stream Masses are for the convenience of those who are homebound, not as an alternative from actually attending Mass in person.

**SUMMER MASS SCHEDULE.** Don't forget that we have begun our summer weekend Mass schedule. Until the first of September, Masses will be as usual at 5:00 p.m. Saturday Vigil, and 8:00 a.m. and 10:00 a.m. on Sundays. There will be no 12 noon Mass in church during the summer. The number of those attending this Mass are very sparse.

**SOLEMNITY OF STS. PETER AND PAUL.** While not a Holy Day of Obligation, this great feastday celebrates the life and faith of St. Peter, the Apostle of the People of Israel a fisherman from Bethsaida on Lake Tiberias, and St. Paul, the Apostle of the Gentiles, a tentmaker from Tarsus. After spending their lives in preaching the Gospel of Jesus, they were martyred in the city of Rome during the persecution of Emperor Nero. Paul, as a Roman citizen was beheaded. Peter was crucified upside down because he said he was unworthy to die in the same manner as Jesus. Peter is represented by keys, a symbol of the Keys of the Kingdom entrusted to him by Jesus; Paul represented by the sword, a symbol of the double-edged sword of God's Holy Word that pierces the heart of believers.

**PICNIC MEETING.** For all people willing to help with our parish picnic, there will be a planning and organizing meeting on Tuesday, June 29<sup>th</sup> at 7:30 p.m. in the Slovenian Room. Our parish picnic will be held at Slovenska Pristava on Sunday, August 15<sup>th</sup>, our parish's patronal feast.

**PRAZNIK SV. PETRA IN PAVLA.** Če prav ni zapovedani praznik, ta veliki praznik praznuje življenje in vero sv. Petra, apostol Izraelskega ljudstva, ribiča iz Betsaida ob Tiberijskem jezeru, in sv. Pavla, apostol pogonov, izdelovalec šotorov iz Tarza. Potem ko so preživeli življenje v oznanenju Jezusovega evangelija, so bili mučeni v Rimu med preganjanjem cesarja Nero-a. Pavel, ki je bil Rimski državljan, je bil obglavljen. Peter je bil križan na glavo ker ni bil vreden umreti tako kot Jezus. Petra predstavljajo ključi, simbol Ključev božjega kraljestva, ki mu jih je zaupal Jezus; Pavla predstavlja meč, simbol dvoreznega meča svete božje besede ki prebodi srca vernikov.
