**ONE WORLD DAY AT THE CLEVELAND CULTURAL GARDENS IS TODAY,** August 29<sup>th</sup> from 11:30 a.m. to 6:00 p.m. Cleveland is unique in that it honors its citizens with gardens representing their countries of origin. The gardens are as diverse as the people of Cleveland, from Azerbaijan and Armenia to India and Syria and so many countries of Eastern and Central Europe. If you've never visited these gardens along MLK Blvd and East Blvd., make the effort to stop today. Don't forget to visit the Slovenian Garden on East Blvd. between the Czech and Polish gardens, near St. Clair Ave. Veseli Godci and Patty C & the Guys will be playing at the garden. All other gardens will also be featuring the music and contributions of its people.

**FOLKLORNA SKUPINA KRES,** Cleveland's Slovenian dance troupe, will have a picnic and performance next Sunday, September 5<sup>th</sup> at Slovenska Pristava on Brandt Rd. in Harpersfield. If your ticket is among the 10 highest or lowest points scored, you win. Proceeds will be used to help our diocesan seminarians. To purchase a ticket or for more information, please contact Vic Nemeč at 216-502-5719.

**SOUNDS REASONABLE!** (In its own humorous way). Consider the following: the inventor of the treadmill died at the age of 54. The inventor of gymnastics died at the age of 57. The world body building champion died at the age of 41. The best footballer in the world Maradona, died at the age of 60. And then .... the Colonel of Kentucky Fried Chicken died at the age of 94. The inventor of Nutella died at the age of 88. Cigarette maker Winston died at the age of 102. Hennessy XO inventor died at the age of 98.

Just think, the rabbit is always jumping, but it lives for only two years. The turtle that doesn't exercise at all, lives 400 years. So ..... have a drink, take a nap. If you wake up, have bacon and eggs!!

**SE SLIŠI LOGIČNO!** (v njegov šaljiv pogled) Smatraj sledeče: izumitelj "treadmill" je umrl v starosti 54 let. Izumitelj gimnastike je umrl v starosti 57 let. Svetovni prvak karoserije je umrl star 41 let. Najboljši nogometaš na svetu, Maradona, je umrl v starosti 60 let. In potem .... Kolonel od Kentucky Fried Chicken umre v starosti 94. Izumitelj Nutella umre v starosti 88. Izdelovalec cigarete Winston je umrl v starosti 102. Hennessy XO izumitelj umre v starosti 98.

Samo pomisli. Zajec vedno skače, toda živi samo 2 leti. Želva, ki ne vadi nikoli, živi 400 let.

Tako .... Imej pijačo, zadremaj, če se zbudiš, imej špeh in jajca!
